

New Zealand Tourism & Hospitality Research Conference 24 – 26 November, 2010

This is your personal mapping guide to the NZTHRC Conference.

The following compilation of maps is to help you find your way around Auckland during your stay. Map 4 also provides an overview over the conference venue.

MAP 1

Transport: How to get to and from the airport and how to get around in Auckland.

MAP 2

Hotel Information: Two hotels offering delegates special rates.

Map 3

Conference Activity Venues: Conference dinner and field trips with special rates.

MAP 4

AUT City Campus: Conference venues.

MAP 1 Transport

To and from Auckland airport

Various shuttle and taxi operators are licensed and meet all flights. You will find these services outside Auckland International Airport terminals and outside the domestic terminals. The Airbus Express operates a city-airport route every 15 minutes during the day and every 30 minutes during the evening. The bus makes pick-ups and drop-offs at many major hotels and backpackers in the central city. Additionally, regular public bus services connect the airport to the central city and several other local centres. It takes about 40-50 minutes from Auckland airport to the CBD of Auckland (25-30km). The conference venue, at AUT University's city campus, is located in the central city (corner of Wellesley Street and Mayoral drive).

Please, refer to the list for services and contacts.

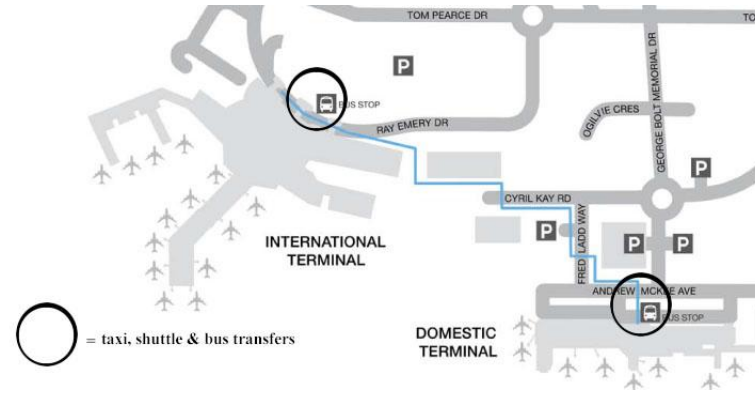

mode	company	fares	telephone	website
