

Opening summer 2010 - Auckland Adventure Jet!

Start your New Zealand holiday with *adventure!* Two Hamilton 213 jetboats, with 300hp turbo charged engines, will offer adrenalin-infused tours on Auckland's sparkling Waitemata harbour.

Feel the thrill of 360 degree spins, power-brake stops and sweeping fish-tails! It's wave-riding like no other and right on Auckland's front door step!

On behalf of all delegates, the committee of the New Zealand Tourism & Hospitality Research Conference, 2010 we wish *Auckland Adventure Jet* all the best with their new venture

and

thank the management for their support and dedication to our event.
