

The Business of Hospitality...

Hospitality is all about people.

At HSI we work with all sectors of the hospitality industry, to deliver quality training programmes that help people grow their careers and develop their businesses.

We have a range of qualifications, suited to all levels and all sectors of the industry. All our courses deliver skills through on-the-job training. So as a student you'll get qualified and paid at the same time, and as a business you'll get committed staff, trained to meet your needs.

On behalf of all delegates, the committee of the New Zealand Tourism & Hospitality Research Conference, 2010 wishes to thank the Management of *HSI* for their continued support and dedication to our event.
