

# Restaurant Association of New Zealand

Every business owner gets to a point where their own knowledge just isn't enough.

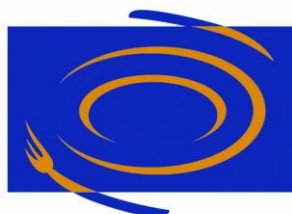

**That's where we come in.**

The Restaurant Association of New Zealand provides advice and guidance on different areas of running a business, especially when it comes to employment relations.

**On behalf of all delegates, the committee of the  
New Zealand Tourism & Hospitality Research Conference, 2010**

**we thank the management**

**for their support and dedication to our event.**
